Bursary Program

To ensure no child is unable to attend St. Bonaventure's College because of the inability to pay, the Bursary Program provides financial assistance towards tuition. This program is vital to the school's mission of educating students of diverse backgrounds. Funds for this program come from several sources including directed donations, the Ignatius Society, memorial donations, the Tribute Dinner, and the Brother Brennan Endowment Fund. Thanks to supporters like you, over \$183,000 was offered to bursary applicants in 2016. Currently 1 in 11 students receives a form of tuition assistance.

In 2016-17 we dispersed the highest amount of aid in our history.
