

Thank you for generously offering to make a dessert for the St. Bonaventure's Fall Gala!

At this event, your dessert will be part of a Dessert Auction, where tables will collectively bid on choice of dessert. Last year's dessert auction brought in \$4759, with each dessert bringing in an average of \$317! We hope to build on this success this year with your help! The funds raised from this year's event will continue to help with the general improvement and upgrades needed to maintain the historic properties and campus surroundings of St. Bonaventure's College. Your assistance in achieving this goal is truly appreciated

Here are some points to keep in mind:

- Desserts should be homemade!
- Each dessert needs to be large enough to feed a table of 10-12 people.
- Although cakes, tortes & cheesecakes make excellent choices, you can also be creative! Individual tarts, crème brulee, cheese platters, mousses and pies also work.
- Please place your dessert on a cake board or piece of cardboard cut to size for easier transfer to serving plates.
- Cake stands/serving plates will be set up at the event (Glendenning). Simply put your dessert on cardboard base/board and put in a box - we will take care of presentation.

To donate a dessert, please contact:
