ST. BONAVENTURE'S COLLEGE

Dear Friends:

We are launching our 4th Annual Giving Appeal at St. Bonaventure's College, in the hopes you will support our various projects.

I am pleased to report last year we raised \$74,091.43 as compared to the previous total of \$31,720.22. Thank you for this generous support.

We are seeking your financial support once again. Will you help us?

This brochure outlines three areas of need:

- Greatest need;
- Bursary students / Endowment Fund and
- Facilities and campus improvements.

However you choose to support our school, know that we are deeply grateful to you for your generosity. We hold you and your family in our prayers daily and ask the Lord to respond to your generosity in like measure.

God Bless,

Tom McGrath
President

WAYS TO GIVE

Greatest Need

Gifts can also be designated as Greatest Need. This gives us the freedom to use your gift to respond to urgent needs in the school. In the past, it has covered the cost of unexpected repairs that needed to be made to our buildings, provided our staff professional development opportunities and purchased materials and supplies to enhance and enrich our curriculum.

If you would like to donate the Greatest Need please indicate this on the pledge form.

Bursary Endowment Fund

The request for support from our Bursary Endowment Fund continues to increase each year. This program is vitally important to the school's mission of educating students of diverse backgrounds. As a Jesuit, Catholic school, we need to be able to respond adequately to those families who do not have the financial means to pay the full tuition but whose child wishes to attend the school. By contributing to the Bursary Endowment Fund you are investing in the future of a child.

If you would like to donate to the Bursary Endowment Fund please indicate this on the pledge form.

Facilities and Campus Fund

St. Bonaventure's College has called its current campus home since 1857. Occupying this space for over 160 years comes with its challenges. As the buildings age, necessary repairs and upgrades are needed. By donating to our facilities and campus fund you are helping to ensure that this campus will continue to be the home of St. Bonaventure's College for years to come.

If you would like to donate the Facilities and Campus Fund please indicate this on the pledge form.

MONTHLY GIVING

The easiest way you can give to St. Bon's is through Monthly Giving. This allows you to give a yearly donation in smaller amounts over the course of the year and still have a significant impact on the lives of the students at St. Bonaventure's College. Simply check the amount you would like to give under the Monthly Gift option on the pledge form and provide the credit card information and we will deduct your donation monthly. If you would like the donations to come directly from your bank account, please contact Ms. Krista Cardwell at kcardwell@stbons.ca to make arrangements.

Below are suggested monthly giving amounts and the total donation it would result in over the course of the year.
