

DANA FELTHAM

Dana Feltham has been an active member of the St. Bonaventure's community for the past five

years, volunteering for events and extra-curricular activities. Born and raised in St. John's, Dana Feltham has a senior policy development position with the Government of Newfoundland and Labrador. A graduate of the Memorial University MBA program, Dana wants to emphasize the importance of combining excellence in both governance and academic achievement.

Core issues for Dana with respect to the school are diversity, the importance of the school as a community, and maintaining St. Bonaventure's College as an option for families from a variety of incomes and backgrounds. Dana is also passionate about the incorporation of programs that encourage the participation of women and girls in STEM-based carriers

In her spare time, Dana is a volunteer coach with the Feildians Athletic Association and the Ladies Intermediate Senior Soccer League. Dana also enjoys baking and spending time with her Husband (Clif Budden) and their son, Sam. Sam is currently a Grade 4 student at the school.
