Bridget is in kindergarten this year and Lori is very active in the school events and she is a class representative on the Parent Auxiliary. Both Steve and Lori have been thoroughly impressed with St. Bon's and all of the wonderful experiences that it has offered Bridget. Steve believes deeply in the family and core values that the school instills in its students and in the focus on ensuring all aspects of the students are developed. He would welcome the opportunity to be part of the school's future by participating in the Board of Governors. He would like to help however he can and he would appreciate your support.
