

2021 Magis Award for Young Alumni Ms. Sarah Coffin '16

Sarah Coffin graduated from St. Bonaventure's College in 2016 as a confident, well-rounded student with success in academics, music, and spiritual growth.

Throughout her years at St. Bon's, Sarah demonstrated a strong work ethic along with extraordinary leadership skills. Sarah was a wonderful role model for those around her. She always maintained a positive attitude, and treated others with kindness and compassion.

Sarah wonderfully represents St. Bon's Jesuit vision. She is active in her faith of God, and always strives to guide and serve others. Sarah was a caring classmate and a friend to many. She cared for and guided the students of Holland Hall each and every day out on the field, in family groups, and as a support to her teachers in the classroom. Sarah has volunteered her time as a Kairos Leader at St. Bon's, with Shinerama - Canada's largest post-secondary fundraiser in support of Cystic Fibrosis, within her St. Patrick's Church community, and with nursing charity balls.

After graduating from St. Bon's, Sarah pursued and successfully completed a Bachelor of Nursing at the Center for Nursing Studies. Sarah is a true asset to the Nursing profession as she naturally continues to demonstrate knowledge, skill and leadership while exemplifying the upmost compassion and empathy for those in her care.
