**ST. BONAVENTURE'S
COLLEGE**

This past year the future of **St. Bonaventure's College** was threatened. Our buildings and campus were up for sale, and we were uncertain if we would be able to raise enough money to secure them. Because of our incredibly generous community we were able to save St. Bon's; however, that is only the beginning of securing our future.

With the purchase of the buildings and campus, we are now responsible for maintaining three buildings of significant age – 165, 115 and 65 years old respectively. The maintenance and refurbishment costs will be substantial. We are also experiencing an increased need for bursary support.

With the support of donors like you, we can continue to operate well into the future. Your generosity will allow us to continue to offer a high-quality Jesuit education that focuses on forming Men and Women For and With Others.

Annual and monthly gifts to our Annual Giving Appeal support our students and our mission. Your gift will support enriched learning opportunities, enhanced teaching and learning resources, bursaries for families in financial need, and improvements to our buildings and campus. You will be helping to secure the future of St. Bon's.

Ways To Give

Close The Gap Fund

Your donation will *Close The Gap* between the tuition fee charged and the true cost to educate. Donations made to the *Close The Gap Fund* will help us enrich and enhance our student's learning experience, while ensuring families from a variety of economic backgrounds are able to attend St. Bon's.

Campus & Facilities Fund

St. Bonaventure's College has called its current campus home since 1857. With the purchase of our campus and facilities, we are committed to ensuring it remains our home. To make this a reality, we need your help. Due to their age, the maintenance and refurbishment costs of our buildings are substantial. By donating to the *Campus and Facilities Fund*, you will be helping the current campus remain home to St. Bon's for the next 165 years.

Bursary Fund

The request for support from our *Bursary Fund* continues to increase each year. This program is vitally important to the school's mission of educating students of diverse backgrounds. As a Jesuit school, we need to be able to respond adequately to those families who do not have the financial means to pay the full amount but whose child wishes to attend the school. By contributing to the *Bursary Fund*, you are investing in the future of a child.
